

RX Tray Slide

Stainless Steel Retractable Tray Slide

Project Name: _____

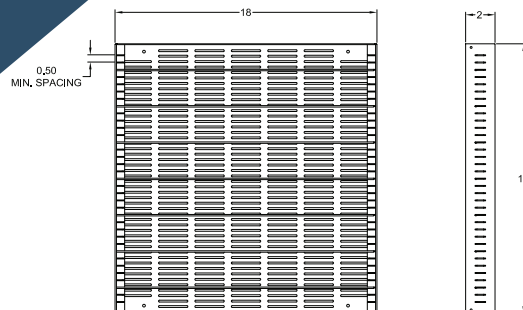

Item #: _____ Quantity: _____

RX Tray Slide:

Specifically designed for the storage and easy access to pharmaceutical products

Premium Features

- 7 Stainless Steel Dividers - easily reconfigurable to accommodate for any package shape variants
- Priority Airflow - clever puchouts allow for uniform air distribution, ensuring proper temperature regulation and refrigerator performance
- Easy Access - easy glide system allows for quick access to remove or restock product. Designed to help date-coded medication rotation, eliminating out-of-date product.
- Anti-corrosive Material - stainless steel construction ensures consistent use for years to come
- Easy Installation - retrofit kit installation is a breeze (factory install also available)
- Designed for use with HABCO® Rx Series Refrigerators - **K066691 TRAY SLIDE KIT**

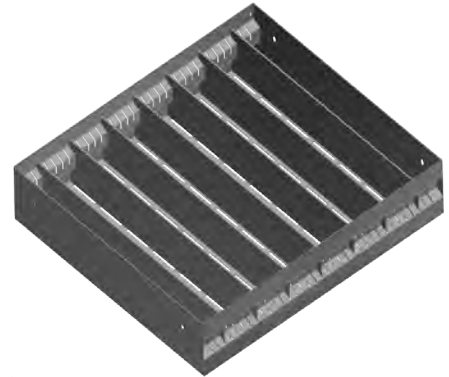

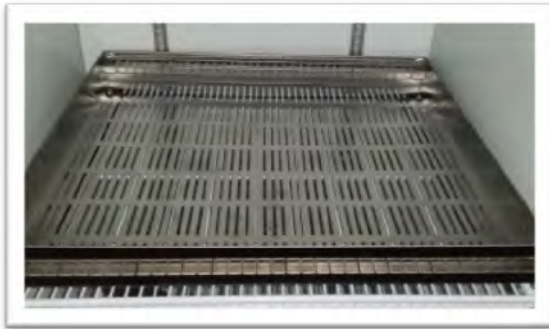

RX SERIES ACCESSORY
